How to repair my old Mylapore house? These architects will share ideas, give advice at Aug.23 meet

By Our Edit Team

Three, city-based architects and conservation experts are hosting a Open House meet in Mylapore to share their experiences and ideas on how vintage houses can be cared for and maintained.

The architects Kanmani, Shalini and Zubair Ahmed - all of them have long experience in working on old houses / buildings in Chennai and across India.

They want to interact with Mylapore-based owners of houses which are 50/70 years old.

The Open House is on August 23, 5.30 p.m. (for an hour) at the Ranade Library (Sastri Hall campus) in Luz.

It is open to all those who have an

interest in the subject.

Zubair said that many house owners in Mylapore are keen for professional advice but do not know whom to turn to when the house has to be repaired / restored.

He said they will offer voluntary service for preliminary assessment of the buildings, condition mapping and provide conceptual strategies for repair / rehabilitation. The service is strictly voluntary and also does not demand any future engagement, said Zubair. You may walk in to attend.

Fire in R. A. Puram apartment

A fire broke out in one of the apartments in Raheja Regency complex on Dr D G S Dinakaran Road, near the Ambedkar Mantapam in R A Puram on August 19 evening.

Smoke was seen coming out of a top-storey apartment even as Fire Service vans arrived at the scene and a giant ladder was operated at the rear end of the block.

Fire staff asked all residents to come down and advised them to move out till all was clear. Some people headed to a nearby school hall while many headed to houses of relatives and friends. Late evening, it became clear that this was a localised fire set off by an electrical short circuit. Nobody was hurt or injured, we were told.
